**AMENDMENT NUMBER 24
TO THE VAUGHAN OFFICIAL PLAN 2010
OF THE VAUGHAN PLANNING AREA**

The following text constitutes Amendment Number 24 to the Official Plan of the Vaughan Planning Area.
Also attached hereto but not constituting part of the Amendment is Appendix "I"

I PURPOSE

The purpose of this Amendment to the Vaughan Official Plan 2010 (VOP 2010) is to amend the provisions of Volume 1 and the Vaughan Metropolitan Centre Secondary Plan (VMCSP) (Section 11.12 – Volume 2) to include references to the approved Vaughan City-Wide Public Art Program and the Vaughan Metropolitan Centre Culture and Public Art Framework.

II LOCATION

This Amendment applies throughout the City of Vaughan and specific amendments applicable to the Vaughan Metropolitan Centre.

III BASIS

The decision to amend the City of Vaughan Official Plan 2010 Volume 1 and the Vaughan Metropolitan Centre Secondary Plan (Section 11.12) is based on the following considerations:

1. The Provincial Policy Statement 2017 supports the long-term economic prosperity by enhancing the vitality and viability of downtowns and main streets and encouraging a sense of place, by promoting well-designed built form and cultural planning. Public Art contributes to economic development by boosting cultural tourism, stimulating commerce, and increasing real estate value. Public art is widely recognized for its ability to boost economic development and tourism by creating destinations for visitors and residents.
2. The Provincial Growth Plan for the Greater Golden Horseshoe 2017 Vision states that “Urban centres will be vibrant and characterized by more compact development patterns that support climate change mitigation and adaptation, and provide a diversity of opportunities for living, working and enjoying culture.” Public Art animates the public realm and helps to encourage active transportation and social interaction, both of which contribute to healthy communities. Public Art plays a key role in city building and urban planning. Involving artists in the city building process can result in the creation of unique open spaces, parks and streetscapes that add dynamism and variety to Vaughan’s urban fabric.
3. The York Region Official Plan 2010 (YROP) include policies to encourage public art in all significant private developments and to require public art in all major public development. The proposed Official Plan amendment supports these objectives.
4. The Vaughan City-Wide Public Art Program (“Program”) was approved by Council on June 7, 2016. The purpose of the program is to provide a guiding framework, public art policies, and

establish a public art process that will maximize opportunities for public art. The Program sets the stage for art that will enrich and animate the Vaughan experience for existing and new residents and visitors alike.

5. The Vaughan Metropolitan Centre Culture and Public Art Framework (“Framework”) was approved by Council on June 7, 2016. The purpose of the plan was to set out the context for the investment and provision of cultural features, amenities and public art early in the development of the Vaughan Metropolitan Centre, the City’s new downtown. The Framework provides strategic directions, objectives, actions and priorities to guide the development of a wide range of cultural resources, activities and a variety of forms of public art.
6. VOP 2010 Volume 1 and the VMC SP include a variety of policies and references to public art. These policies were prepared prior to the finalization of the Vaughan Public Art Program and the VMC Public Art Framework. Amendments are required to VOP 2010 Volume 1 and the VMC SP to update the applicable policies to reference the two public art documents and amend the applicable policies to align with these two documents.
